GAME RULES:

- Games players and participation:** Each team must field 3 players. Each player should be afforded equal playing time unless injured. While it may not be possible to give each player the same amount of time on the field each game, over the course of the season an effort should be made to play each player the same percentage of field time.
- Player time:** 20-minute practice followed by Four 8-minute periods, with a 5-minute break between the 2nd and 3rd periods.
- Equipment:** Size 3 ball. All players must wear shin guards. Molded cleats are optional. All jewelry, watches, necklaces, earrings, etc. must be removed before the start of play.
- Field size:** 30 x 20 yards at Tuckahoe Middle School soccer field.
- Positions: 3-5 year olds will not use goalkeepers.** No player will handle the ball. Typical player configuration is two offensive players and one defensive player. Note: Playing a set position is not critical to team success or player enjoyment.
- Start of play:** To start a game, a quarter, and after a goal, the ball will be placed in the middle of the field. All games are coach officiated.
- Restart:** When the ball goes out of play, the game is restarted by one of the following:
 - Over the sidelines, a throw-in
 - Over the end line,
 - a goal kick if the attacking team last touched the ball. Ball is placed on the 6 yard line straight out from the spot where the ball went over the end line.
 - a corner kick if the defending team last touched the ball.
- Substitutions:** Substitutions may be made whenever play must be restarted.
Ex. throw-in, corner, or goal kick.
- Kicks:** All opposing players must be at least five yards from the ball on all free kicks, goal kicks, and corner kicks.
- Fouls and Misconduct:** All fouls (tripping, pushing, handling the ball, etc.) result in an indirect free kick taken from the point of the foul. If the foul occurs within 5 yards of the goal, then the ball is moved to the 6 yard line, straight out from the point of the foul. For all indirect free kicks, a goal cannot be scored unless the ball has been touched by another player.
- Heading** of the ball is prohibited and will result in an indirect free kick from spot of infraction
- Slide Tackles** are strictly prohibited and will result in an indirect kick from spot of infraction.
- Throw-ins:** If a foul throw-in occurs, the coach explains the correct method and allows the throw-in to be retaken.
- Scoring:** Goals may be scored from anywhere. Goals may not be scored directly from a goal kick, free kick, or throw-in.
