Youth Flag Football

Fall 2016

What do I need to know as a Volunteer Coach? What responsibilities do I have?

First, thank you for volunteering your time as a volunteer coach within our Sports Program. Our program exists because of your generosity as a volunteer. Our program has a vision that states: *Closely following the mission of the YMCA, the Tuckahoe Family YMCA offers Youth Sports programs to all children that instills the values reflecting YMCA character development: caring, honesty, respect and responsibility. The team philosophy is to promote youth sports in a fun filled environment while teaching the basic skills of competitive sports. The YMCA provides services to all families without regard to race, religion, or financial status.*

As a volunteer coach, there are many responsibilities throughout the season. It is crucial that you try your best to make sure that all these responsibilities are completed. Below you will find everything you need to know as a coach and the responsibilities that are required of you:

I need to know...

- The flag football season runs from Sunday, September 11th – Sunday, November 6th.
- You need to make contact with all kids on your team **no later than Sunday, September 4th**. If the contact information for a player is inaccurate, please contact the Youth Sports Department.
- Each child will receive a participant trophy from the YMCA.
- For all ages, footballs will be provided at your game site.
- To contact other coaches on my team to prepare for the season (if there are coaches already designated).
- **The Inclement Weather Hotline for sports is 729-4639**
 - Please share this information with your team so they can call it on inclement weather days.
- That the YMCA will extend the season by one week if a makeup is needed due to cancellation by inclement weather. All additional games cancelled including rescheduled makeup due to weather are not guaranteed but will be considered for make-up based on field space and availability.

My responsibilities are...

- To attend all games, if you are unable to attend, please contact a parent(s) on your team that can take your place in your absence.
- To communicate with the parents on your team on a consistent basis (phone, email, etc...) about schedule changes, picture schedules, team parties, etc...
- To include every child in every team activity
- To develop practice and game plans for your team that involve skill development drills, games and value lessons (i.e. take time to research practice drills and games for kids on your team)
- Access to Coach Memberships: Each coach receives a free NFL FLAG membership and access to all of USA Football's coaching resources by filling out the form at <https://www.nflflag.com/form/coach> , **every coach is required to register with NFL Flag.**
- Each player needs to register with NFL Flag at <https://www.nflflag.com/form/player>

Please feel free to contact us directly throughout the season if you have questions or concerns. Below is our contact information:
