DAY OF THE WEEK: FRIDAY, MARCH 20

FOCUS: GRAND ECARTE A LA QUATRIEME OR A SPLIT

This requires a lot of stretching before hand so as you try this at home please be sure to STRETCH. Sit on the floor in a wide v and take your body over to the left leg. As you remember to breathe every time you exhale allow your body to get closer to your leg. Try doing 10 deep breaths to the right, to the left and in the middle. If you have a parent or guardian around, they can assist you by pressing GENTLY on your back to help push you down. Follow along in this video!

### MONDAY, MARCH 23

**PIROUETTES & FOUETTES**

A dancer’s spin, especially when he’s balanced on one foot, is a **pirouette**. **Fouetté** turns are a classical ballet term meaning “whipped turns.” A **fouetté** turn is when a **dancer**, usually female, does a full turn in passe (pirouette), followed by a plie on the standing leg while the retiré leg extends to croise front and rond de jambes to the side (a la seconde).
